## View Survey Results

1. Select **Surveys**
2. Select the survey folder
3. Click  next to the survey you want to view results for
4. Click  next to *Edit Survey* to export survey data

The screenshot shows the 'Surveys' dashboard in the Evergage platform. It features a navigation bar with 'RETAIL' and 'Sample Surveys' tabs, a search bar, and a date range filter for 'Jan 14 2019 - Jan 21 2019'. Below the navigation, there are buttons for 'DELETE', 'CLONE', and 'EDIT'. The main content is a table with columns for 'FOLDERS', 'Survey Name', 'Pages', 'Questions', 'Responses', 'Linked Campaigns', and 'Actions'. The table lists several surveys, including 'Survey Matrix', 'Survey Single Input', 'Survey Radiogroup', and 'Survey Checkbox'.

FOLDERS	Survey Name	Pages	Questions	Responses	Linked Campaigns	Actions
High Value Customer Surveys	Survey Matrix	1	1	0	0	[Icons]
Sample Surveys	Survey Single Input	1	1	0	0	[Icons]
Archive	Survey Radiogroup	1	1	0	0	[Icons]
Uncategorized	Survey Checkbox	2	2	0	0	[Icons]
